TAG: Athoscailt - Gaelscoil Naomh Pádraig

A thuismitheoir/chaomhnóir,

- Athbhliain faoi mhaise daoibh go léir agus tá áthas orainn go mbeidh ranganna ag filleadh ar an scoil amárach. Iarraim ar thuismitheoirí/chaomhnóirí na pointí thíos a léamh roimh do na páistí filleadh ar scoil amárach:

- *Happy New Year to you all and we are delighted that our classes will return to school tomorrow. Parents/Guardians are asked to read the points below in advance of the children coming to school tomorrow:*

- Tá sé tábhachtach nach dtagann páistí ar scoil má tá siomptoim Covid 19 orthu. Sa chás go bhfuil siomptóim ar pháiste is gá é/í a choinneáil sa bhaile go dtí go bhfuil na siomptóim imithe le 48 uair a chloig. Lean an comhairle ón FSS anseo agus iarraimid oraibh gan páiste a chur ar scoil le Calpol/Neurofen tógtha acu.

- *Ensure that children do not come to school if they have any symptoms of Covid 19. Any child displaying symptoms must remain at home for 48 hours after they are free of symptoms. HSE advice should be followed and children should not come to school having had Calpol/Neurofen.*

- Is gá do pháistí atá aitheanta mar dhlúth-theagmhálaithe baile, an comhairle FSS a leanúint. Tá bileog ceangailte chun cuidiú sa phróiséas seo. Is gá do pháiste < 13 atá mar dhlúth-theagmhálaí baile, srian a chur ar ghluaiseachtaí ar feadh tréimhse 14 lá. D'fhéadfaí go mbeadh scrúdaithe PCR socraithe dóibh ar lá 0 agus lá 10 agus cead acu filleadh ar scoil tar éis an dara PCR má tá sé diúltach.

- *Any child identified as a close contact within a household setting must follow HSE advice. Please see chart attached which will assist in such scenarios. Children under 13 who are deemed to be household contacts need to restrict their movements for 14*

days. PCR tests may be conducted on days 0 and 10 following a negative result on Day 10 children can return to school.

- Tá ag éirí leis na bearta coisctheacha atá i bhfeidhm go dtí seo, na faighneoga, aerú sna seomraí, clúdach aghaidhe/maisc a chaitheamh (R3-R6) agus lámha a dhíghalrú/ ghlanadh go rialta. Iarrtar ar thuismitheoirí na páistí a spreagadh maidir leis na cleachtais seo ionas go leanfaidh siad leo. Molaimid iarracht éadaí breise a chur ar do pháiste chun iarracht iAd a choimeád te. Ina theannta, sin iarrtar ar thuismitheoirí a bheith ar an eolas maidir leis an bpróiseas chun páistí bunscoile a chlárú don vaicsín ar an suíomh FSS.

- *The prevention levels used to date such as hand-washing, face-coverings (3^{rd}-6^{th} classes), pod systems and ventilation measures have proved to be effective and we encourage all parents to support children in continuing with these practices. Please try and ensure that children put on/wear additional clothing (multi-layers) to keep as warm as possible. Furthermore, parents should be aware of the vaccination process for primary school children on the HSE website.*

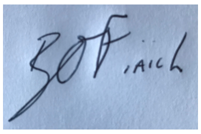
- Sa chás go bhfaigheann páiste toradh dearfach ar PCR, iarrtar ar thuismitheoirí an scoil a chur ar an eolas tríd an seoladh ephost seo a leanas a usáid: covid.gsnp@gmail.com ionas gur féidir linn na céimeanna cuí a thógáil chun scrúdaithe aintigín a chur ar fáil d'fhaighneog i rang an pháiste .

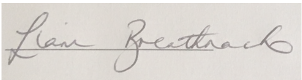
- *In the event of a child testing positive on a PCR, parents are asked to notify the school via e-mail @ covid.gsnp@gmail.com so as the school can provide the correct support to the pod/class with regards to availing of antigen tests.*

Féach ar na doiciméid ceangailte ón FSS ag tabhairt breis eolais maidir le céimeanna leithlise.

Please see the HSE documents attached for further guidance on isolation measures.

Le meas





Brian Ó Fiaich (Cathaoirleach) *Liam Breathnach (Príomhoide)*
